*Hi, Marie,*

*As we are coming up on Clyde's "anniversary," I thought I should send you some photos of his life as a "big city" cat.*

*His first friend died in September, but his new friend, Buddy, from the Humane Society in La Crosse, has filled the void --nicely. It is difficult to get a picture of them together but I am sending on the best I have.*

*Clyde and Buddy*

*Clyde*

*When I saw you at Petco you said that this was truly meant to be - - and it was!*

*Needless to say, Clyde is still beautiful...I truly love*

*him, his new friend, and the work that you do.*

*Best wishes from Milwaukee, Rachel Schrag*
